So viel Spaß steckt im Karto

We proudly present Kartoni – the world's first environmentally friendly table football game for guaranteed sustainable fun. What makes Kartoni special is that it is made entirely of corrugated paper and cardboard. Only the ball and player rods are made of wood, and the entire game is 100% recyclable. Kartoni proves that lifestyle and fashionable design, stability, long-lasting fun and low cost are not contradictory. The Kartoni cardboard table football game is guaranteed 100% functional and also comes at a bargain price.

# Tennino

## Tennino

We proudly present to you: Tennino – the mini-tennis court for home and office. Tennino is assembled from pre-grooved cardboard parts and is set up and ready to play within just a few minutes. The patented construction enables lasting playing fun for young and old alike. Even during heated matches, there is hardly any noise and your neighbours' patience won't be put to the test. Tennino can be disassembled and stored away even in small spaces at any time.

### Summary

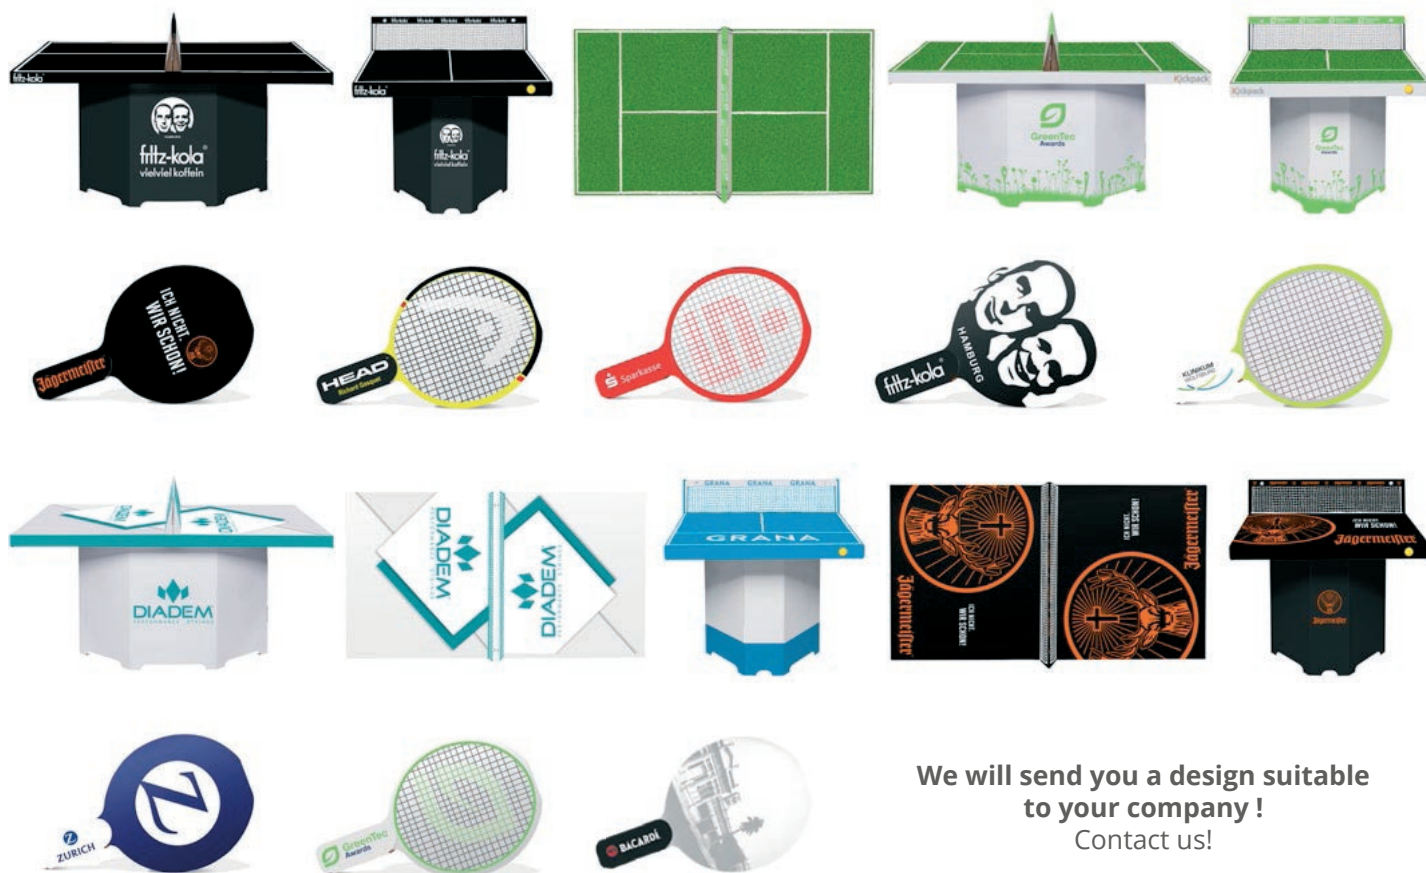

- Packaged in a cardboard case with an integrated handle
- Can be dismantled at any time into the table, net and base
- Points counters for both players integrated into the net
- 2 softballs for noise-reduced playing fun
- Easy to understand set-up instructions
- Made from 100% sustainable resources
  - Free of toxins; food-safe guarantee
  - No glues or tools required for set-up
